

SIGURDUR BALDURSSON

CURRICULUM VITAE

About Me Nickname: Siggie Nationality: Iceland Born: 1992

In short, I am a very open person and easy to communicate with. Communication is one of my strong suits since my education and background is international. My need for creativity is what drove me to be a graphic designer. I enjoy working within a team, bringing projects to life and driving them forward. I am also fully capable of working independantly from a - z. The areas that I focus on are Branding, Web & UI/UX design. The key to a thriving business is quality work. I believe that if I work with what I am passionate about, I will flourish at what I do.
